

Magnetic Promenade and other sculpture parks
Edited and devised by Chris Evans

Wednesday 7 November 2006, 6 – 8.30pm
At STORE, 27 Hoxton Street, London N1 6NH

Chris Evans has a close relationship with sculpture parks – so much so that his book, *Magnetic Promenade and other sculpture parks* is entirely devoted to these peculiar spaces whose function seems uncertain. As a companion to the touring project organised by Studio Voltaire, the new publication is an illustrated book of fictional sculpture parks with contributions from:

Rita McBride and Glen Rubsamen
David Burrows and Simon O'Sullivan
Keren Cytter
Will Holder
Will Bradley
Niru Ratnam
Liam Gillick
Edward Gorey
Jon Wood
Jaki Irvine
Joanne Tatham & Tom O'Sullivan
Graham Fagen
Raymond Roussel
Natasha Soobramanian
Padraig Timoney
Matthew Welton

Hardback, 176 pages with 3 fold out colour inserts by Chris Evans
ISBN: 1900029235
Design: Will Holder
Publisher: Studio Voltaire
Edition: 1000
Price: £15.00 (inc. P&P to UK)

Magnetic Promenade and other sculpture parks is a part of a National Touring Programme organised by Studio Voltaire, whose partners include International Project Space, Birmingham; Chapter Gallery, Cardiff and Outpost Gallery, Norwich.

Supported by Arts Council England and The Henry Moore Foundation. With kind support from Arts Council of Wales and STORE, London.
